

**REWARDING PRACTICE OPPORTUNITY  
SISKIN PHYSICAL MEDICINE & REHABILITATION  
CHATTANOOGA, TN**

**We are searching for a talented, compassionate, and experienced Physician Assistant or Nurse Practitioner to work in the inpatient rehabilitation facility (IRF) in a team environment. You will serve a diverse patient population in this hospital-based setting**

**\*Highlights of this opportunity include:**

- **1:1 relationship with you and the physician sharing patient management**
- **Opportunities both to learn from physician and to implement your medical skills independently**
- **Diverse patient population including, but not limited to patients with spinal cord injury, amputation, and general rehab needs**
- **Skilled PA/NP colleagues with many years of experience in the rehab setting with whom to collaborate**
- **Opportunity to work with a mature, forward-thinking, physician-owned private practice, present in Chattanooga since 2008**
- **Strong specialty support including nephrology, general surgery, ENT, infectious disease, cardiology, neuropsychology, and neuro-optometry**
- **Collegial atmosphere with providers who get along well with one another**
- **Significant potential for growth across the practice**
- **Work collaboratively within the largest rehab hospital in the state of TN which enjoys a stellar reputation at the local, state, and national levels**
- **Named one of the best Physical Rehabilitation Centers (top 15%) by Newsweek in 2020**

**\*Responsibilities of this opportunity include:**

- **Assessment and management of the medical and rehabilitation needs of our patients**
- **Medication management, order/interpret radiologic and laboratory studies, progress notes, discharge summaries, etc.**
- **Communication with therapists, nurses, physicians, case management, administration, and referring providers**
- **Attend hospital and practice meetings as requested**

- Operate efficiently and adapt as necessary in today's fast-paced and ever-changing healthcare environment
- Call coverage
  - 1:6 weekend average
  - Always work with a physician on the weekend
  - Physician takes overnight call on weekends
  - Saturday is generally a full day, Sunday a half-day
  - Post-call day off for each call weekend
  - PA/NP is in a rotation for first call on some weekdays (Mon, Wed, Thurs only), always with physician backup

**\*Requirements of this opportunity include:**

- Experience in an inpatient medical setting is preferred but not required
- Master's-level certified PA or NP
- Ongoing maintenance of board certification
- State and DEA licensure
- Team player with good communication skills
- Desire to learn and grow professionally

**\*Benefits of this opportunity include:**

- Competitive salary + bonus
- Comprehensive benefits package including health/dental insurance, disability/life insurance, 401K with match, CME allowance, and HSA
- 3 weeks vacation
- 1 week CME

**\*Community features of this opportunity include:**

- Chattanooga is a beautiful, medium-sized city with most of the offerings of the big-city but with a small-town feel. It is the kind of city where you always run into or care for someone you know
- A huge variety of living options, i.e. mountain, downtown, water, suburbs, etc.
- Multiple opportunities for outdoor activities. A mountain biker and hiker's haven!
- NCAA Division 1 sports teams and professional soccer
- Fantastic restaurants
- Children's Museum, Zoo, and Aquarium
- Rich local history with multiple state and national parks nearby
- A 2 hour drive gets you to Atlanta, Birmingham, Nashville, and the Great Smoky Mountains
