

**REWARDING PRACTICE OPPORTUNITY
SISKIN PHYSICAL MEDICINE & REHABILITATION
CHATTANOOGA, TN**

- Only independent PM&R practice in Chattanooga metro area
- Group was established in 2008 and enjoys a reputation for delivery of high quality physiatric care with consistent excellence in outcomes
- Opportunity to practice the full spectrum of PM&R in both the inpatient and outpatient settings
- Collaborative professional relationship with the largest IRF in the state of Tennessee
- Significant potential for growth
- Seeking an energetic, motivated, and forward-thinking physician to become part of our practice for years to come

Practice Highlights:

- 100% Physician Owned and Operated
- Six full-time Physiatrists with two additional PRN Physiatrists for Call/Vacation coverage
- Skilled PA and NP support with many years of rehab experience
- Campus includes IRF beds, SNF beds and outpatient office
- Adjacent level 1 trauma center connected via bridge
- Opportunity to build your own outpatient practice. Current offerings include spasticity management with botulinum toxins and ITB pumps, general MSK, TBI/CVA/SCI management, ultrasound, EMG, medicolegal, workers comp, osteoporosis and pain management
- We are a group that gets along well and has strong leadership

Facility Highlights:

- Largest inpatient rehab hospital in the state of Tennessee
- Enjoys a stellar reputation at the local, state, and national levels
- Currently 82 IRF and 32 SNF beds with room for growth
- Named one of the best Physical Rehabilitation Centers by Newsweek in 2020
- Quality metrics consistently exceed regional and national averages

- Physicians, staff, and administration work collaboratively with a common mission
- High percentage of CRRNs and therapists with specialty certifications
- JCAHO and CARF-certified specialty programs including TBI and CVA
- Strong physician specialty support including nephrology, general surgery, ENT, infectious disease, cardiology, neuropsychology, and neuro-optometry

Responsibilities:

- Current and largest need is coverage for both IRF and SNF beds
- Physiatrists serve as admitting and attending physicians for all patients
- PA or NP support provided for all inpatients
- Small acute care consult service has great potential and room for growth
- Develop an outpatient practice in your area(s) of interest
- Preadmission screening duties for the hospital
- Attend hospital and practice meetings as requested
- Possibility for growth in the near future at nearby facilities
- Call coverage
 - 1:7 weekend average, work with PA/NP, 7-10 average admissions per weekend + follow-up visits and discharges
 - 1st call 4 days of your call week; 2nd call 3 days of your call week

Compensation/Benefits:

- Competitive salary plus bonus
- Bonus is determined by the performance of both the physician and the group
- Comprehensive benefits package including CME, health/dental insurance, disability/life insurance, 401K with match, CME allowance, and HSA
- 4 weeks vacation

Candidate Qualifications:

- BC/BE in PM&R. If BE, must be within 2 years of residency completion
- Excellent interpersonal and communications skills
- Comfort in managing the medical and rehabilitation needs of patients in the inpatient rehab setting
- Team player

Community Features:

- **Chattanooga is a beautiful, medium-sized city with most of the offerings of the big-city but with a small-town feel. It is the kind of city where you always run into or care for someone you know.**
- **A huge variety of living options, i.e. mountain, downtown, water, suburbs, etc.**
- **Multiple opportunities for outdoor activities. A mountain biker and hiker's haven!**
- **NCAA Division 1 sports teams and professional soccer**
- **Fantastic restaurants**
- **Children's Museum, Zoo, and Aquarium**
- **Rich local history with multiple state and national parks nearby**
- **A 2 hour drive gets you to Atlanta, Birmingham, Nashville, and the Great Smoky Mountains**
